That strange and weird creature is

Agwu

It's a ghost of a poor man who was hurtly hanging on with barks of trees.

Silly... Agwu is actually wandering after most of the time in the forest. Agwu often roaming in search of edible things to eat. Agwu is also a very kind person. Agwu always helps the villagers in need. Agwu is also very friendly. Despite that, Agwu can be mean at times. Agwu is also... I am running out of words to describe Agwu.

AGWU!

AGWU!

HUNGRY

Agwu

G, Guys...

You remember the promise... we made, don't you ?

Yeah... You will earn time, while we run...

Agwu

And inform adults for help!

Agwu

Agwu

But for now... let's think about running away to safety...

Agwu
